## Children’s Ministry

Children’s Ministry is committed to partnering with parents to “Ignite a Passion for Jesus” in the lives of all children. Education, fellowship and service opportunities are provided to help children learn about Jesus and apply His truths in their daily lives.

**Sunday School**—Highly engaging activities are used to share Biblical truths with children. Large group activities include singing, videos and Bible stories. Children then experience small group opportunities where they can apply the truths they have learned.

**Kidz Worship!** Every Sunday during the sermon, kids preschool through 2nd grade will be dismissed for a special time of worship created for them. These kids will experience high energy, spirit-filled music and teaching just for them!

**Wednesday evening FAMILY NIGHTS** The Wednesday Night Family program is currently on a break for the summer season. It will start again in September and run through March/April. Contact the church office, 867-5673, if you have questions.

**Country Children’s House Montessori Preschool** A part-time preschool program that offers a multi-sensory approach to education, encouraging the children to use a optimal combination of senses for learning.
